# Strackk®

**The floating wall shelves of Strackk are available in any color and length up to 8 meters.**

Perfect as a bookshelf for your heaviest books as the shelf can carry up to 250 kilograms per meter.

**Our wall shelves with lighting underneath are ideal above the kitchen counter.**

The light is dimmable from mood to work light and from yellow to white light. Easy assembly and all mounting materials are included. Connection with other lighting plans possible.

**With the 29,5cm shelves you can choose additions like slots to hang wineglasses or a cut-out with a vase.**
