Strackk®

The floating wall shelves of Strackk are available in any color and length up to 7 meters.

Perfect as a bookshelf for your heaviest books as the shelf can carry up to 250 kilograms per meter.

Our wall shelves with lighting underneath are ideal above the kitchen counter.

The light is dimmable from mood to work light and from yellow to white light. Easy assembly and all mounting materials are included. Connection with other lighting plans possible.

With the 29,5cm shelves you can choose additions like slots to hang wineglasses or a cut-out with a vase.
